Reduce Bills by Averaging

During Nov. - Feb. the District averages water consumption to determine your sewer bill. Residents can control their annual bills to some extent by conserving as much water as possible during these four months. New Residents: Upon request, a 6 month consumption history may be used to adjust your bill below the 7,000 gallon district average. If you have questions, please call 255-7871 X201.

Need a Room for a Special Event?

Planning a birthday party, family reunion, or special event? The Community Center has rooms with patios, a kitchen, a craft room, an outside pavilion and arbor area for rent. Rentals are accepted one year in advance. Call today 255-7871 X203.
