Group Fitness Classes

Fitness Class Descriptions - FREE with Membership

The Fitness Class Schedule is posted at the community center and online at www.bcmud.org (Parks & Recreation > Fitness). Possible class offerings are described below. Most classes are free to Members.

Athlete 30: Athlete inspired interval training session designed to help you become stronger, faster, and more agile with expert coaching and high-powered music. You will be motivated to be the best you can be mentally and physically.

Body Toning: Strengthen and tone the body using weights and body weight to achieve a lean, toned body.

Cardio/Sculpt: Get your day started without caffeine! This early morning class mixes it up for those who enjoy variety, choreography, and a full body workout. A variety of exercise tools are used to tone and define your entire body.

* **Fit-4-Life:** It is never too late to start your Fitness Journey. This fun 30 minute senior fitness class is a compilation of aerobic power, muscle strength, flexibility, balance, and whole body physical functioning. Let's get it started!

Gentle Yoga: A relaxing combination of breathing and flowing body movements. This mind/body class improves strength, posture, flexibility and balance. Great for beginners!

Group Fight: Build cardio fitness, total body strength and coordination. Combine the hottest, adrenaline fueled MMA movements from the boxing ring and fighting cage with cutting-edge exercises from outside the octagon. Thrilling music and motivational coaching will get you fighting fit. FIGHT FOR IT
Non-contact, no gloves or experience required

HIIT: Alternate short bouts of high intensity exercise with longer bouts of recovery. This style of exercise is one of the most effective ways to get the results you're looking for. A challenging workout that will build cardiovascular endurance and burn body fat! Modifications will be given based on your abilities.

Pilates: Target overall strength, balance, flexibility and core strength. Optional hand weights, tubing, and stability balls may be used.

Zumba: Ditch the workout and join the party! This easy to follow dance class combines high energy and motivating Latin music. Unique moves and combinations will make you feel like you're partying on the dance floor.

Group Power: Group Power is a full-body strength training that makes you muscle strong and movement strong! Using an adjustable barbell, plates, and your body weight, you will experience traditional exercises from the weight room, plus three-dimensional, integrated movement training, for results in real life and real sport.

Vinyasa Yoga: Learn to relax mind and body and in the process release tension and stress in your daily life while increasing flexibility.

Yoga Fusion: This class is designed to fit into your lunch hour, Yoga Fusion is your all-in-one stretch, strengthen, center and move class. We spice up the Vinyasa flow by incorporating light weights to work shoulders and arms and borrow moves from Pilates and Barre to focus on the core, glutes, and legs.

TRX Combo Class: The TRX Suspension Trainer is the original, best-in-class workout system that leverages gravity and your bodyweight to perform hundreds of exercises to develop your strength, balance, flexibility, and core stability simultaneously—designed for all fitness levels to push you to new levels of strength only using your body weight. In addition to the TRX Suspension Trainer, the class will include strength training, cardiovascular training, core training, boxing, and much more!

Swim Lesson Descriptions

www.bcmud.org/SwimLessons

Welcome to Brushy Creek Swim Lessons! We offer lessons for every age and ability. For more information about how to register, inclement weather, helpful tips, and other frequently asked questions, please visit www.bcmud.org/aquatics. **Schedule and register online at www.bcmud.org or in person at the Community Center.** Contact SwimLessons@bcmud.org with questions. **Please note: Registration closes one week prior to each session start date.**

Parent and Child (6 months-2 years, 11 months): Parent and Child classes focus on familiarizing children between the ages of 6 months to 2 years, 11 months with water and preparing them to learn swimming skills in the future. The class gives parents safety information and techniques parents can use to orient their children to the water.

Learn to Swim Level 1 & 2 (5-12 years): Classes orient students age 5-12 years to the aquatic environment and help them develop positive attitudes and safe practices around water and help them acquire aquatic skills, such as bobbing under water, retrieving objects, and floating while slowly becoming comfortable without the assistance of their instructor in skills, such as front glides, floats, and combined arm & leg action.

Intro to Swimming for Adults: Learn beginning through intermediate swimming skills and strokes while breaking through any hesitations or fears of the water. Instructors will create a lesson plan to match the needs of each participant. All skill levels are welcome.

Private / Semi Private: Receive the undivided attention of your instructor with Private or Semi-Private Lessons and progress through skills faster. Lessons are available for any age and skill level. We are also happy to customize private lessons for students with physical disabilities or other special needs. On the first day of lessons the instructor will discuss goals and do a quick evaluation of participants to determine what skills should be improved on.

Youth - Adult Programs

Swim Lesson Descriptions (CONTINUED)

Preschool (3-4 years, 11 months): Preschool classes familiarize children ages 3 to 4 years, 11 months to the aquatic environment and help them acquire basic aquatic skills, such as entering the water safely, blowing bubbles, assisted arm/leg action, and assisted floating.

Learn to Swim Level 3 (5-12 years): Level 3 classes have students working to swim short distances independently to their instructor while focusing on skills, such as front crawl, elementary backstroke, and breaststroke.

Learn to Swim Level 4 - 6 (5-12 years): Level 4, 5 & 6 classes have students build on water skills learned from levels 1, 2, & 3 as students begin swimming longer distances to their instructor while focusing on building stamina and improving techniques in skills, such as front crawl, back crawl, elementary backstroke, breaststroke, butterfly, treading water and diving.
