

1. Drop off/Pick up
 - a. Pull up in front of the Recreation side of the Community Center please do not get out of your vehicle, staff will come out to assist
 - i. Drop off will begin at 12:55pm
 - b. We will conduct a temperature check before your child will be permitted out of the car and enter camp. Please roll down your window for our staff to take the temperature
 - i. If your child's temperature reads 100 degrees or higher, your child will not be permitted to stay with camp.
 - c. For pick up, please utilize the same Recreation entrance that was used for drop off. We will end camp a few minutes early to allow campers to gather their things and be ready for pickup at promptly 4pm. Please arrive on time for pick up.
2. Camp Home Base
 - a. The majority of our camp will be held in the red gym inside the Community Center. Due to the timeframe of 1pm-4pm and the hot temperatures, we will not go outside.
3. Groups
 - a. There is a maximum of 10 campers in the Sports Camp and we will break groups down further to allow for more individualized skill progression.
4. Equipment
 - a. Please bring your own water bottle, our water fountains are closed but we do have bottle fill stations.
 - b. All equipment will be provided for camp, please do not bring your own sporting equipment.
 - i. Equipment will be sanitized after each use throughout the day.
 - ii. Masks will not be required for campers because we are under the age limit set forth by the Governor
 - iii. Staff are required to wear mask during camp
 - iv. Closed toed shoes are required, please do not wear cleats.
