

Permit Application

Home Owner Installation of Residential Irrigation

Resident Information

Application Date: _____

Home Owner Name: _____

Phone Number: _____

Project Address: _____

Signature of Installer / Owner: _____

Requirements

- 1 All plumbing must comply with TCEQ regulations for homeowner installations.
- 2 The tie-in and backflow inspection must be approved by the District's inspector. It is the homeowner's responsibility to provide a copy of the backflow test to the District. The inspector's information can be found on the permit.
- 3 If the prepaid plumbing inspections fails, the above company will receive a bill for the re-inspections. Re-inspection fees are \$ 105.00 each. All re-inspection fees are due 10 days after receiving bill.
- 4 A double check valve assembly with test ports and valve must be installed in a separate box in the ground near the water meter. An isolation valve must be installed between the tie in and the back flow prevention device.
- 5 As published by the manufacture spacing between emission devices and water pressure must operate at the minimum and not to exceed the maximum sprinkler head pressure or distance.
- 6 Systems shall not spray water over surfaces made of concrete, asphalt, brick, wood, stone or any other impervious material such as walls, fences, etc.
- 7 Rain or moisture shut off devices must be installed if using an automatically controlled irrigation system. The sensor must be designed to inhibit operation during periods of moisture or rain fall. This device must be installed according to the manufacture's published recommendations.

NOTE: To ensure contamination of the public water does not occur, all back flow prevention devices must be tested upon installation and every 5 years thereafter. All back flow devices that are installed to protect against health hazard must be tested annually. This is to be done by a certified tester and a copy must be filed with Brushy Creek M.U.D.. This testing will be at the homeowner's expense.

Description	Fee	Unit	Total
Application/Permit Fee	\$ 25.00	Each	\$50.00
Plumbing Inspection Fee	\$ 105.00	Each	\$200.00
